Issues

Was CPT code 99080-73 billed in accordance with 28 Texas Administrative Code §129.5? Is the requestor entitled to reimbursement for CPT code 99080-73?

Findings

CPT code 99080-73 is defined as "Special reports such as insurance forms, more than the information conveyed in the usual medical communications or standard reporting form."

28 Texas Administrative Code §134.204 (l) states "The following shall apply to Work Status Reports. When billing for a Work Status Report that is not conducted as a part of the examinations outlined in subsections (i) and (j) of this section, refer to §129.5 of this title (relating to Work Status Reports)."

28 Texas Administrative Code §129.5(i)(1) states "Notwithstanding any other provision of this title, a doctor may bill for, and a carrier shall reimburse, filing a complete Work Status Report required under this section or for providing a subsequent copy of a Work Status Report which was previously filed because the carrier, its agent, or the employer through its carrier, asks for an extra copy. The amount of reimbursement shall be \$15. A doctor shall not bill in excess of \$15 and shall not bill or be entitled to reimbursement for a Work Status Report which is not reimbursable under this section. Doctors are not required to submit a copy of the report being billed for with the bill if the report was previously provided. Doctors billing for Work Status Reports as permitted by this section shall do so as follows: (1) CPT code "99080" with modifier "73" shall be used when the doctor is billing for a report required under subsections (d)(1), (d)(2), and (f) of this section."

28 Texas Administrative Code §129.5 (d)(1) and (2) states "The doctor shall file the Work Status Report:

(1) after the initial examination of the employee, regardless of the employee's work status;

(2) when the employee experiences a change in work status or a substantial change in activity restrictions."

The respondent submitted copies of the July 25, 2013 and September 18, 2013 reports that do not indicate a change in claimant's work status in accordance with 28 Texas Administrative Code §129.5 (d)(1) and (2); therefore, reimbursement cannot be recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
